

What is a Smart Card ?

Our new SMART card is an electronic card that will replace paper tickets & monthly passes. Your SMART card can be loaded with either pre-paid rides (in multiples of 10) or as a time-based pass. If you select pre-paid rides, your card will be loaded with 10 rides. If you select a time-based pass (30 day increments)

Why is There a \$3.00 Fee ?

As the card contains a microchip and an imbedded antenna, there are increased costs compared to paper fare media. The card fee covers the card expense, set up and registration option. This reloadable card can be used over and over again !

Why Register ?

There are many benefits to registering your SMART Card:

- IT CAN BE REPLACED IF BRANDON TRANSIT IS NOTIFIED IT HAS BEEN LOST OR STOLEN.
- IT CAN BE CANCELLED.
- THE REMAINING BALANCE ON THE CARD CAN BE TRANSFERRED TO A NEW CARD (\$3.00 FEE)

How Do I Register ?

Your SMART Card can be registered online OR you can submit the registration portion from the SMART Card brochure to the Transit Information Centre located at 800 Rosser Avenue or at the Transit Office at 900 Richmond Avenue East.

For additional info, please view the Brandon Transit SMART card brochure and the SMART card Policy
