Google Trip Planner

Google Trip Planner makes it easy to plan your trip!

- First visit brandontransit.ca and click on routes and schedules

- Then type in your start and end location, and click on the Get Directions button.

- A new window will open that will show you where the closest stop is, what time the bus will leave, and what time you will get there.

- If you click on the Schedule Explorer, it will give you all of the time options to take that route.
