

What is a SMART Card?

Our new SMART card is an electronic card that will replace paper tickets and monthly passes.

Your SMART card can be loaded with either pre-paid rides or as a time-based pass. If you select pre-paid rides, your card will be loaded with 10 rides. If you select a time-based pass, it is sold as a 30-day pass.

The card contains a microchip and an imbedded antenna and looks like a credit or debit card. This **RELOADABLE** card can be used over and over again !

When you board the bus, you simply tap the card on the fare reader and in seconds it will accept your ride with an audible beep.
